Es bietet umfassende Dienstleistungen an, einschließlich Verpackung, Versand, Versicherungsoptionen und Zollabwicklung. Durch Sammeltransporte können feste und angemessene Preise angeboten werden. Luftfrachtoptionen sind ebenfalls verfügbar.

4. Installation information

An accompanying information sheet on installation options will be provided with the painting.

5. Special requests

I am more than happy to discuss any and all special requests. These might include hanging suggestions in the case of multiple paintings, or ideas for a special commission for a specific venue.

6. Commissioning work

I do a good amount of commissioned work. These commissions include every-thing from private portraits to work that is designed to specific places and needs. Though I retain my style of work in every painting, there is a good amount of choice in selecting themes and compositions.

Commission Process:

1. Discussion of basics: Visualization of ideas, Size/Price range.
2. Presentation of between 3 and 6 painting options.
3. Following selection, contract agreement including final price and delivery date is signed. At this point a 50% deposit of final price is required.
4. At midterm of painting production, either a studio viewing invitation will ensue or photo presentation of current painting status will be sent by email. Should adjustments be desired this can be addressed.
5. Final viewing upon completion, either in person or by photos. Upon remittance of the final amount the painting will be prepared for delivery.

4. Informationen zur Installation

Ein Informationsblatt zu den Installationsmöglichkeiten wird dem Gemälde beigelegt.

5. Spezielle Anfragen

Gerne bespreche ich alle besonderen Wünsche mit Ihnen. Dazu können zum Beispiel Hängeempfehlungen für mehrere Gemälde oder Ideen für eine spezielle Auftragsarbeit für einen bestimmten Ort gehören.

6. Auftragsarbeit

Ich fertige regelmäßig Auftragsarbeiten an. Diese reichen von privaten Porträts bis hin zu Werken, die speziell für bestimmte Orte oder Anforderungen konzipiert werden. Obwohl ich in jedem Gemälde meinen eigenen Stil beibehalte, gibt es viel Raum für die Auswahl von Themen und Kompositionen.

Ablauf einer Auftragsarbeit:

1. Besprechung der Grundlagen: Klärung und Visualisierung der Ideen, Größen- und Preisrahmen.
2. Präsentation von 3 bis 6 Entwurfsoptionen für mögliche Gemälde.
3. Nach der Auswahl wird eine Vertragsvereinbarung mit endgültigem Preis und Lieferdatum unterschrieben. Zu diesem Zeitpunkt ist eine Anzahlung von 50 % des Endpreises erforderlich.
4. Zur Halbzeit der Produktion erfolgt entweder eine Einladung zur Atelierbesichtigung oder eine Fotopräsentation des aktuellen Arbeitsstands per E-Mail. Falls Anpassungen gewünscht werden, können diese besprochen werden.
5. Abschlussansicht bei Fertigstellung, entweder persönlich oder anhand von Fotos. Nach Eingang des Restbetrags wird das Gemälde für die Auslieferung vorbereitet.
